VITALIS

DESIGNED TO INSPIRE LIVING

1 AND 2 BHK SEA-FACING APARTMENTS

To design a perfect life, we reimagined
what living means.

At Vitalis, home is an enabler of a multi-
faceted, multi-layered lifestyle. This 38-storey
tower boasts best in class amenities and
unparalleled sea views.

Artistic Impression

IN THE NEIGHBOURHOOD

Live connected to the city in one of Mumbai's oldest and most loved locations. Less time to travel, more time to live.

Shivaji Park

Once the seat of India's pre-Independence discussions, Shivaji Park has also trained India's best cricketers, including Sachin Tendulkar. Catch up for a game, find a quiet spot for yoga with friends or start your own running group.

Mahim Market

What better way to experience the vibrant spirit of Mahim than at its bustling Market, which has been a local favourite for years. Pick from the best of local fashion and replenish your energy at the exciting food and dining outlets around.

Bandra Reclamation

Set your date with the sea and breathe easy as you watch many shades of Mumbai in one place. Whether you visit for a jog or catch-up with friends over endless conversations, Bandra Reclamation is where memories are made.

Dadar Chowpatty

Living close to the beach has its perks: from morning jogs to watching the sun set, your time with the sea is private. As you stand on the beach and look out, water flowing through your feet, nothing is impossible.

AMENITIES

Every amenity you dreamt of, and many you never even.
