Cable Corporation of India (CCI), a titan in India's industrial landscape since 1957, was born from a visionary collaboration between the Khataus, our Indian partners, and German giants Siemens and F&G. It has consistently pushed the boundaries of excellence, emerging as a leader in power cables and a respected EPC contractor for extra high voltage (EHV) and sustainable cable ventures. In early 2000s, CCI Projects Private Limited was founded with a mission to redefine luxury living for the discerning Indian market. With an unwavering dedication to crafting iconic structures, CCI Projects have brought opulence, sustainability, and future-readiness to Mumbai.
